

SUPPORT TICKET 88213

Channel: Email

Received: 11 March 2024

Contact address on file: r.menon2291@example.com

Ticket body:

Bought an air purifier from your store last month. The filter replacement indicator stays red even after fitting a new filter, and the reset button does nothing. I have tried unplugging the unit overnight as the manual suggests.

No name or phone number was supplied with this ticket and no attachments were included.

Agent notes: No action taken yet, awaiting triage.
